MAXI

Elegant design and exclusive wood interiors

MAXI Yachts is one of the strongest brand names in the industry and is synonymous with quality, advanced modern technology and precision craftsmanship, which is reflected in the excellent resale values commanded by these yachts. The MAXI 1100 is built for yachtsmen that want that little bit extra in terms of seagoing characteristics and design, but still want comfortable and elegant interiors. Items such as the lead keel, stainless steel cabin windows, quality teak finishes and the finest interior furnishings combine to form the ultimate sailing yacht.

Pelle Petterson, one of the world's leading yachtsmen, has designed all the boats in the Maxi range
